# Admissions Policy

Implemented/Reviewed: September 2019

Date of Next Review: September 2020

## Introduction

Family Care Group have two independently registered schools catering for children and young people with complex needs aged between 6 – 16 years. Access School is located in Shropshire and Eden School is located in Macclesfield, Cheshire. Both schools offer bespoke education for children with Social Emotional and Mental Health, Learning Difficulties and Mild Learning Difficulties.

Family Care Group is a care and education organisation whose intake is drawn from local authorities from across the United Kingdom. We specialise in the provision of residential care, fostering and education for children and young people with significant social, emotional and mental health needs. School places are in high demand across both sites.

- Eden School is registered for 8 pupil places
- Access School is registered for 30 pupil places

## Admission Protocol

Prior to admission to schools within the group, children and young people are referred to Family Care by their local authority.

## Pre-Admission

We will publish a copy of our latest Prospectus/Statement of Purpose on our website for reference by parents/carers and other stakeholders; and make paper copies of the information available upon request.

Family Care Group works in partnership with local authority personnel and requires that all necessary documentation is provided in a timely manner, in order to ensure an informed decision can be made about meeting the needs of a child/young person. The documents required, where possible, are:

- (a) Current Statement of Special Educational Needs (SEN)/ Education, Health and Care Plan (EHCP)
- (b) Most recent annual review/key educational progress data
- (c) A chronology of the child's life to date
- (d) Current/most recent care plan/ Personal Education Plan (PEP)
- (e) Current/most recent behaviour management plan(s) and risk assessment(s)
- (f) Any additional assessments
- (g) Any additional professional reports (e.g. psychology, psychiatry, pediatrics, occupational therapy, YOS, CAMHS etc.)
- (h) Parental/ guardian submissions.

We will ensure that the special educational needs outlined in the child/young person's Education, Health and Care Plan (EHCP)/Statement of Special Educational Needs (SEN) or other records can be met within the setting.

If we feel that a child/young person may need additional resources we will ensure that these resources can reasonably be provided by the setting before a place is offered (or within an agreed timescale) for a child/young person.

We will ensure that an individual risk assessment, behaviour management plan and education plans are generated prior to admission. Where appropriate, an initial care plan will be expected from the local authority. These documents would be reviewed regularly once the child/young person arrives.

Both schools will undertake an initial assessment of educational needs upon the allocation of admission, which will include a review of previous educational placements, consideration of statement of special educational needs/EHCP, behaviour support requirements and, where possible, a formal assessment of the child's national curriculum level for literacy and numeracy including therapeutic assessments; LASS, CAT 4, and SDQ'S.

Admissions to Family Care Education can be taken at any stage in the young person's education and at any time during the academic year

1. Education is available to all children and young people through Family Care Education. Children who are:
  - a) resident with Family Care Associates or
  - b) resident at a foster placement arranged by Families@FamilyCare or
  - c) living within Shropshire, Cheshire or the surrounding counties and placed by their local Education Authority
  - d) resident at other residential care providers if they fall within the age bracket of 6 to 16 and their EHCP/SEN can be met by the school.
2. The education service at Access School and Eden School does not select young people for education based on race, age, culture, academic ability or gender.
3. The cost of education at Access School and Eden School is borne by the fees paid by placing authorities.
4. In the case of Looked After Children who are placed with Family Care. It our aim for children and young people to be placed on our admissions register and to be receiving education, within 20 school days of being placed within a residential service if a careful transition is necessary.
  - a) By law, before a young person with a Statement of Special Educational Needs/Education Health Care Plan is placed on our register, the placing education authority must request consent from the Secretary of State for Education for the young person to receive education from us. This should be sought from the placing social worker/lead education professional who will request medical, psychological and educational evidence, together with a letter from Access/Eden School offering a place and confirming a start date.
  - b) Registered Manager's especially should ensure that the placing authority is aware of this obligation and that a statementing officer from the home education authority has requested this consent. **It is illegal for Access School and Eden School to place a child or young person on its school register without this consent.**
  - c) Such consent is not required for children and young people without a Statement of Special Educational Needs.
5. Access School and Eden School reserves the right to contract out educational services to third parties for the provision of education should it be deemed it necessary, or to provide education at alternative premises to the school site. This provision will be Quality Assured in line with school procedures.

## Appendix A

### School Admissions Protocol
